Would you believe this  
Do you even have time for me  
There is something I want to say  
But the question is, do I ever dare to ask  
Disable the mire of our souls  
Who do we think we are  
Who do we think we are

I'm praying for that day to come  
I'm praying for a sunrise  
The great awakening  
And I'm praying for you to come

How much does it cost  
What are the losses  
Give me the files of our sins and I will erase them  
Neutralize everything that got in your way  
You got lost in the loop  
You got lost in the loop

I'm praying for that day to come  
I'm praying for a sunrise  
The great awakening  
And I'm praying for you to come

The last day of our great creator
