You get the car  
Ill get the night  
Off you'll get the chance  
To take the world apart  
Figure out how it works  
Don't let me know what you find out  
I need a car, you need a guide  
Who needs a map  
If I don't die or worse  
Im gonna need a nap  
At best I'll be asleep when you get back  
I wanna see it  
When you find out what comets, stars, and moons are  
all about  
I wanna see their  
Faces turn their backs and head to slowly get smaller  
I wanna see it  
Now  
I wanna see it  
Now  
I want specifics on the general idea  
I want to think what I should know  
Want you to do me what you show  
I wanna see  
Movies of my dreams  
I wanna see  
Movies of my dreams  
I wanna see  
Movies of my dreams  
I wanna see  
Movies of my dreams  
I wanna see it  
When you get stoned on the cloudy breezy desert  
afternoon  
I wanna see it  
Untame itself and break it's own earth  
I wanna see it  
Now  
I wanna see it  
Now
