Hi, my name is Stereo Mike

Yeah, we got 3 tickets to the Bran Van concert this  
Monday night  
at the Pacific Pallisades. You can all dial in if you want  
to answer  
a couple of questions, namely,  
what is Todd's favourite cheese.  
Jackie just called up and said it was a form of  
Roquefort.  
We'll see about that...

give us a ring-ding-ding! It's a beautiful day.

Yeah Todd, this is Liquid ring-a-ding-a-dinging  
want those 3 Bran Van tickets man  
waddya think?  
Todd, you there?

I woke up again this morning with the sun in my eyes  
when Mike came over with a script surprise  
a mafioso story with a twist  
a "Too Wong Foo, Julie Newmar" hitch  
get your ass out of bed, he said:  
I'll explain it on the way

but we did nothing  
absolutely nothing that day  
and I'll say  
what the hell am I doing drinking in LA  
at twenty six?  
I got the fever for the flavour  
the payback will be later  
still I need a fix

and the girls on the bus kept on laughing at us  
as we rode on the ten down to Venice again  
flaring out the g-funk  
sipping on juice and gin  
just me and a friend  
feeling kinda groovy  
working on movie

\*yeah right!\*

but we did nothing  
absolutely butt kiss  
that day  
and I'll say  
what the hell am I doing drinking in LA  
at twenty six?  
\*with my mind on my money and my money on my,  
beer beer!\*

I know that life is for the taking  
so I'd better wise up  
and take it quickly

\*yeah one more time at trader vics\*

some men there wanted to hurt us  
and other men  
said we weren't worth the fuss  
we could see them all bitching by the bar  
about the fine line  
between the rich and the poor  
then mike turned to me and said  
what do you think we got done son?

we've got a conclusion  
and I guess that's something  
so I ask you  
what the hell am I doing drinking in LA  
at twenty six?  
I got the fever for the nectar  
the payback will be later  
still I need a fix

\*we need to fix you up  
call me monday  
and maybe we'll fix it all up\*

LA  
LA  
LLA  
LA  
LA  
LA  
LLA

so I ask

you what the hell am I doing drinking in LA  
at twenty six?

\*these are mine, are mine!\*
