Jesus Christ, that's a pretty face  
The kind you'd find on someone I could save  
If they don't put me away  
Well, it'll be a miracle

Do you believe you're missing out  
That everything good is happening somewhere else?  
But with nobody in your bed  
The night's hard to get through

And I will die all alone  
And when I arrive I won't know anyone

Well Jesus Christ, I'm alone again  
So what did you do those three days you were dead?  
Cause this problem's gonna last more than the  
weekend.

Well Jesus Christ, I'm not scared to die,  
I'm a little bit scared of what comes after  
Do I get the gold chariot?  
Do I float through the ceiling?

Do I divide and fall apart?  
Cause my bright is too slight to hold back all my dark  
And the ship went down in sight of land  
And at the gates does Thomas ask to see my hands

I know you'll come in the night like a thief  
But I've had some time alone to hold my lies inside me  
I know you think that I'm someone you can trust  
But I'm scared I'll get scared and I swear I'll try to nail  
you back up

So do you think that we could work out a sign  
So I'll know it's you and that it's over so I won't even try

I know you'll come for the people like me  
But we all got wood and nails  
Tongue tied to a hating factory

But we all got wood and nails  
Your tortured (and hanging) factory  
Yeah, we all got wood and nails  
Your tortured (and hanging) factory  
Yeah, we all got wood and nails  
And we sleep inside of this machine
