[Originally by Neutral Milk Hotel]

[Performed by Jesse Lacey]

Oh comely

I will be with you when you lose your breath

Chasing the only meaningful memory you thought you
had left

With some pretty bright and bubbly terrible scene

That was doing her thing on your chest

But oh comely

It isn't as pretty as you'd like to guess

In your memory you're drunk on your awe to me

It doesn't mean anything at all

Oh comely

All of your friends are all letting you blow

Bristling and ugly

Bursting with fruits falling out from the holes

Of some pretty bright and bubbly friend

You could need to say comforting things in your ear

But oh comely

There isn't such one friend that you could find here

Standing next to me

He's only my enemy

I'll crush him with everything I own

Say what you want to say

Hang for your hollow ways

Moving your mouth to pull out all your miracles aimed
for me

Your father made fetuses

With flesh licking ladies

While you and your mother

Were asleep in the trailer park

Thunderous sparks from the dark of the stadiums

The music and medicine you needed for comforting

So make all your fat fleshy fingers to moving

And pluck all your silly strings

And bend all your notes for me

Soft silly music is meaningful magical

The movements were beautiful

All in your ovaries

All of them milking with green fleshy flowers
While powerful pistons were sugary sweet machines
Smelling of semen all under the garden
Was all you were needing when you still believed in me
Say what your want to say
Hang for your hollow ways
Moving your mouth to pull out all your miracles aimed
for me

And I know they buried her body with others
Her sister and mother and 500 families
And will she remember me 50 years later
I wished I could save her in some sort of time machine
Know all your enemies
We know who our enemies are

Goldaline my dear
We will fold and freeze together
Far away from here
There is sun and spring and green forever
But now we move to feel
For ourselves inside some stranger's stomach
Place your body here
Let your skin begin to blend itself with mine
