Daddy please, hear this song that I sing.
In your heart there's a spark that just screams,
For a lover to bring a child to your chest,
That could lay as you sleep and love all you have left,
Like your boy used to be, long ago,
Wrapped in sheets warm and wet.

Blister please, with those wings in your spine.
Love to be with a brother of mine.
How he'd love to find your tongue in his teeth,
In a struggle to find secret songs that you keep,
Wrapped in boxes so tight, sounding only at night as
you sleep.

And in my dreams you're alive and you're crying,
As your mouth moves in mine, soft and sweet.
Rings of flowers round your eyes and I love you,
For the rest of your life (when you're ready).

Brother see, we are one in the same.
And you left with your head filled with flames,
And you watched as your brains fell out through your
teeth.
Push the pieces in place.
Make your smile sweet to see.
Don't you take this away.
I'm still wanting my face on your cheek.

And when we break we'll wait for our miracle.
God is a place where some holy spectacle lies.
And when we break we'll wait for our miracle.
God is a place you will wait for the rest of your life.

Two-headed boy, she is all you could need.
She will feed you tomatoes and radio wires,
And retire to sheets safe and clean,
But don't hate her when she gets up to leave.
