I hear the sound  
Of a distant thunder  
Scene from the window  
Tells me I'm far away from my home

Now I got time to make  
The journey to my mind  
I'm closing my eyes  
And enter my world of dreams

Don't suffer in silence  
Just scream your need out loud  
Because time passes by us  
If we're too afraid to shout

At the gates of a labyrinth  
I wonder who I am  
Am I trouble in paradise  
Or a man who fits the plan

Behind each door  
There's new mystery to find  
Solve the problems one by one  
And break the chains that bind you

Don't suffer in silence  
Just scream your need out loud  
Because time passes by us  
If we're too afraid to shout

I'm living in a dreamworld of my own  
Where nobody can tell me I'm wrong  
This is the dreamworld of my own  
Here is my heart here is my home

When darkness surrounds me  
I look for a place to hide  
From the mysteries of my dreamworld  
I find the piece of mind

Don't suffer in silence  
Just scream your need out loud

Because time passes by us  
If we're too afraid to shout

I'm living in a dreamworld of my own  
Where nobody can tell me I'm wrong  
This is the dreamworld of my own  
Here is my heart here is my home
