So sick and tired of your accusations  
No matter how, where or when  
Week after week, day in day out in ovation  
Just waiting for you to send

One-way ticket to my hell  
Hands out, kneel down and repent

Sacrificed for the times that I lived  
Crucified for those times  
Guilty!  
Accused by you unknown fool, throw the stone  
No need to hide, I make the rules  
Guilty!

Your speak in silence stops the world from turning  
No matter who, what or why  
Your lame excuses won't stop my soul from burning  
What justifies your wicked lies

One-way ticket to my hell  
Hands out, kneel down and repent

Sacrificed for the times that I lived  
Crucified for those times  
Guilty!  
Accused by you unknown fool, throw the stone  
No need to hide, I make the rules  
Guilty!

Sacrificed for the times that I lived  
Crucified for those times  
Guilty!  
Accused by you unknown fool, throw the stone  
No need to hide, I make the rules  
Guilty!

[Solo]

One-way ticket to my hell  
Hands out, kneel down and repent

Sacrificed for the times that I lived  
Crucified for those times  
Guilty!  
Accused by you unknown fool, throw the stone  
No need to hide, I make the rules  
Guilty!

Sacrificed for the times that I lived  
Crucified for those times  
Guilty!  
Accused by you unknown fool, throw the stone  
No need to hide, I make the rules  
Guilty!
