Needles to say I am lost  
From the day one I'm paying the cost

Standing at the crossroad to nowhere  
And the night descents over me

My soul is Lost in Time  
So many ways I can't explain  
Just try to find a way back home  
My soul is Lost in Time  
Attempts to rescue are in vain  
Am I here to die all alone?

Face to face with the demons inside  
Fighting back the tears I don't want to show that I've  
cried

Standing at the crossroad to nowhere  
And the night descents over me

My soul is Lost in Time  
So many ways I can't explain  
Just try to find a way back home  
My soul is Lost in Time  
Attempts to rescue are in vain  
Am I here to die all alone?

Unable to show the hurt inside of me  
I locked it up and throw away the key

[Solo]

My soul is Lost in Time  
So many ways I can't explain  
Just try to find a way back home  
My soul is Lost in Time  
Attempts to rescue are in vain  
Am I here to die all alone?

My soul is Lost in Time  
So many ways I can't explain

Just try to find a way back home  
My soul is Lost in Time  
Attempts to rescue are in vain  
Am I here to die all alone?
