Brak:

Here's a lovely song about my favorite food!

Lima, lentil, soy and pinto
Navy, northern and garbonzo
Kidneys and frijoles negros
I love beans

I love beans, woo woo woo
I love beans, how about you?
High in fiber, low in fat
Hey I betcha didn't know that!

When I eat beans, I sit in my own little cloud
Nobody comes to visit me, in my little cloud
I don't know why, maybe it's 'cause I'm cuttin' muffins
Because....

I love beans, hey hey hey
I love beans EVERYDAY
Beans are an excellent source of protein
I love beans, dinky doo!
