Wake up in the mornin' and tinkle and a hoo-ah  
Take a hot shower, watch the news!  
Then I takes over-easy on the greasy side,  
Oh yeah, I'm just an oridnary guy

I'm an ordinary guy, cept I can fly  
And sometimes I'm invisible  
All day long I'm justa rightin' wrongs  
And making evil villians miserable...  
"Oy, you can say that again!"  
I love making evil villians miserable!  
"Errr, of all the cartoon shows in all the universe, I get  
stuck on this one."  
Work day's over and I got me a date with a big fat  
piece of pie  
I sit around thinkin' what a good boy am I  
But hey, I'm just an ordinary guy  
Just an average superhero kinda guy  
I'm just, an extra ordinary guy.....oh yeah!
