I'm rambling, yeah rambling
Rambling high and low
I'm rambling, ramble ramble rambling
Rambling everywhere I go
I ramble down to visit with Mary Jane
But she's up and moved away and changed her name
So I go rambling, yeah I'm rambling
I'm just a rambling guy
I'm wandering, yeah, wandering
Wandering a here and there
And I'm wondering...yeah boy I'm wondering
If I packed me enough underwear
I wander down to visit with Agnes Rose
She slams the door so hard on me it breaks my nose!
Eh I go wandering, my oh my
I'm just a wandering guy oh yeah
Just a rambling, wandering guy.....tip your wait staff
