

Ghost Of A Fallen Age

"The End"

Once upon a time
Spent just one night
still never feeling the same
It took someone like you
To get me through
All my troubled minds

Know you understand
Didn't mean to cut your hands
All your beautiful words
I don't deserve
You and all the great things you do
Be happy ever after

It's over before it begins
Touched your hands they bled
Moved to fast
They said
Alone just like before
Can't take this anymore
I need to know

Know you understand
Didn't mean to cut your hands
All your beautiful words
I don't deserve
You and all the great things you do
Be happy ever after

In the end
In the end
In the end!!!
