Got an old Smiths' record
And I put it on endlessly.
To mourn a lethal fascination
Of a girl named Valerie.

She got a XXX rating
And maybe someday she'd have married me.
But, she was born to keep me waiting.
Her name was Valerie.

With a little more time, I was thinking
We could've worked my hooks into you.

Over a recent complication
I came to find that she'd tired of me.
She wrote the book of Revelations.
Her name was Valerie.

With a little more time, I was thinking
We could've worked my life around you.
With a little more time... WOO!

Her name was Valerie (Valerie)
Her name was Valerie (Valerie)
Her name was Valerie (Valerie)
Her name was Valerie
