We are the music makers.
We are the dreamers of dreams.
We strive towards allegiancy.
Making candy in our doll clothes,
We are planning to overtake tonight.

TONIGHT, THEY'RE FREE FOREVER?
Tonight we're free forever.
Taking time to end this place.
Tonight we're free forever.
Time to let this all unwind.

We're looking in the mirror and there is nothing more
to tell.
For the purpose not the pride.

I LOVE MIKE TEEVEE!

We're looking in the mirror and there is nothing more
to tell.

We're lying at our best and still breaking down to want
the world.
We're looking in the mirror instead of trying to let this
all work out.
We're looking down at what we've become, say
goodbye to the God.

There's no,
Pot of gold, pot of gold, your search is over now.
Pot of gold, pot of gold, your search is over now.
We'll take a part of you, we'll take all of you.

We are the music Makers, We are the dreamer of
dreams...
