Last chance to see your loved ones,
Last chance to say goodbye.
We pray for life, one more time, one more...
Bombs dropping from the sky
We watch how your erase.
We pray for life, one more time, one more...

Why save a life? In the end you're safe with someone.
Bye bye, you let go...
You fall in a tunnel. Will it lead you to the end?
Bye bye, you let go...
You lied to me. You were dead to me and still.
Bye bye, you let go...
And now you're dead, goodbye you said --
To the suns reflection.
This is our last goodbye.

Oh it's so hard...
Give it back, I want it back.

One more chance to say goodbye.

Now you're laying there with your arms wide open. The
blood drips down.
Your
Face is white and still you can't refrain. --"

Last chance to see you loved ones.
Last chance to say goodbye.
We pray for life one more time, one more...

This last chance to say your goodbyes
To all loved ones.

This is the end, Farewell, I salute you.
For our kind, life is so hard.
When this song is over, you'll walk out for the millionth
time.
Bye bye, you let go.
Now you've reached the gates, will they open inside?

THIS FRIDAY NIGHT!!!
