Spike in girlie voice: How can I thank you, you mysterious black clad hunk of a knight thing.
Spike in Cheesy Man voice: No need little lady. Your tears of gratitude are enough for me. You see I was once a badass vampire, but love and a pesky curse defanged me. And now Iâ€™m just a big fluffy puppy with bad teeth. No! Not the hair, never the hair.
Spike in girlie voice: But there must be some way I can show my appreciation.
Spike in Cheesy Man voice: NO! Helping those in needâ€™s my job. And working up a load of sexual tension and prancing away like a magnificent poof is truly thanks enough.
Spike in girlie voice: I understand I have a nephew whoâ€™s gayâ€¦....soâ€¦...
Spike in Cheesy Man voice: Say no more! Evilâ€™s still afoot. And Iâ€™m almost out of the nancy boy hair gel I like so much.
Quickly! To the Angel mobile away!

New scene

Oz: Hello L.A.
Cordelia: Oz? O my godâ€¦...Oz! I am so happy to see you!
Good â€™ol Ozâ€¦...Oz! Oz!
Doyle: Lemme just take a stab at itâ€¦...youâ€™d be Oz?
Oz: Good guess.
Cordelia: This is so cool...I mean here you are, in L.A. and youâ€™re the total embodiment of all things Sunnydale.
Oz: Well itâ€™s a burden, but I manage.
Cordelia: OK! We have serious catching up to do. Howâ€™s everything?
Howâ€™s, Howâ€™s the Bronze?

Oz: The same
Cordelia: And the gang?
Oz: Their good.
Cordelia: Good, GOOD!....GOOD!
Oz: We done?
Cordelia: Completely

New scene

Cordelia: Iâ€™ve heardâ€¦but I doubt very muchâ€¦that the main characters are Betty and Barney Rubble, as you so vehemently insisted last night. Also I donâ€™t think Oz appreciated being called my little Bam Bam all night.

New scene

BANG
Spike: Cordeliaâ€¦you look smashingâ€¦
Cordelia: YES! You know thereâ€™s this great gym onâ€¦hey!

New Scene

Cordelia: Spikeâ€™s nearly done Buffy in a few times. I mention he has killed two slayers already?
Doyle: You did.
Cordelia: Oh! And this one time he and Dru raised this demon that burned people alive from the inside. It was this whole weird thing with an arm in a box,
Doyle: An arm in a box?
phone rings
Doyle: Itâ€™s close enough dimwit.

New Scene

Spike: What is it with you good guys runninâ€™ in packs? Whoâ€™s this one then?
Doyle: More than meets the eye, Blondie. Whereâ€™s Angel?
Spike: Umâ€¦ Tall brooding guy? Caveman brow? Heâ€™s having the living Hell tortured out of him.
Cordelia: I donâ€™t trust you.
Spike: A coin of popular Sunnydale phraseâ€¦duh!

New Scene

Spike: And suddenly Iâ€™m so painfully bored! In one piece was never part of the deal.

New Scene

Weird sound

Spike: Lucy, Iâ€™m homeâ€¦...Bloody hell.

New Scene

Spike: SON OF A BITCH! I do the work, I do the digging, fight off the slayer, drive to L.A. I hire the help. And what do I get? Bloody screwed is what! Well, that cinches it! No more partners. From now onâ€¦...Iâ€™m my own man! Lone wolfâ€¦...soul survivorâ€¦...here, Look out! Here comes Spike...the biggest baddest motherâ€¦...moan *sound of fire*â€¦...I really hope they kill each otherâ€¦...

New Scene

Oz: Incredibly pale. Iâ€™m just very pailâ€¦...Iâ€™m paler than most peopleâ€¦...

New Scene:

Angel: I donâ€™t know about you, but I had a nice day. You know except for the fact that I was nearly tortured to death.

Doyle: But you stood upâ€¦...

Angel: O god...I was this close to telling them everything.

I mean one more hot poker and I was giving them the ringâ€¦...

Your mom everything. How is your mom?
