I don't think you know my name
I think you'd leave me standing in the rain
You're a pretty little girl, got a thing for me
But you'd cut me open and let me bleed
But I'll be lookin' at you
With your long brown hair
Pretty little feet
Sparkling everywhere

You look so good
When you come my way
But I have to look down
When you talk to me

'Cause you're dangerous
Dangerous
Dangerous
And you don't even know it

One baby, two, maybe three more years
You'll be a full hot baby, have all your curves
And here's a little taste of irony
You'll be a too-hot baby, too good for me

But I'll be looking at you
With your long brown hair
Pretty little feet
Sparkling everywhere

You look so good
When you come my way

But I have to look down
When you talk to me

'Cause you're dangerous
Dangerous
Dangerous
And you don't even know it

So little baby, you better stay set
Play with fire when you get too wet

So set me down and leave me be
You'll get a devil when you unchain me

But I'll be looking at you
With your long brown hair
Pretty little feet
Sparkling everywhere

You look so good
When you come my way
But I have to look down
When you talk to me

'Cause you're dangerous
Dangerous
Dangerous
And you don't even know it
