

Ghost Of The Robot "Just What I Needed"

Visit "[Just What I Needed](#)" on MotoLyrics.com

I dont mind you coming here
wasting all my time.
Coz when your standing oh so near
I kinda loose my mind. yeh

Its not the Perfume that you wear
Its not the ribbon in your hair
I dont want you coming here
Wasting all my time

I dont mind you hanging out
talking in your sleep
Doesn't matter where you been
As long as it was deep. yeh
We don't know you very well
Look so handsome I can tell

I dont mind you hanging out
talking in your sleep

I guess your just what i needed
(just what i needed)
I need someone to please
I guess your just what i needed
(just what i needed)
I need someone to please

I don't mind you hanging out
talking in your sleep
Doesnt matter where you been
As long as it was deep. yeh
We don't know you very well
Look so handsome I can tell

I don't mind you hanging up
or talking in your sleep

I guess your just what i needed
(just what i needed)
I need someone to please
I guess your just what i needed
(just what i needed)

I need someone to please
