I died
So many years ago
You can make me feel
Like it isn't so
But why you come to be with me
I think I finally know
HmMMM....

Your scared
Ashamed of what you feel
And you can't tell the ones you love
You know they couldn't deal
So whisper in a dead mans ear
It doesn't make it real
That's grand
But I don't want to play
Cuz being with you touches me
More than I can say
But since I'm only dead to you
I'm saying "Stay Away"
And let me
Rest In Peace

CHOURS:
Let me rest in peace
Let me get some sleep
Let me take my love and bury it
In a hole of six foot deep
I can lay my body down
But I can't find my sweet release
So let me
Rest In Peace

You know
You've got a willin' slave
And you just love the plane of thought
That you might misbehave
But 'til you do I'm telling you
Stop visitin' my grave
And let me
Rest In Peace

I know
I should go
But I'll follow you like a man possessed
There's a traitor beneath my breast
And it hurts me more than you've ever guessed
If my heart could beat
It would break my chest
But I can see
Your unimpressed
So leave me be

CHOURS
Why won't you
Let me
Rest In Peace...

(In the episode):
So, your not staying then?
