What is this crap, I'm going through,  
where am I at, and who are you,  
to make me feel, like I'm so scared,  
caught me off-guard, was no problem,  
for you,  
so smart, so cool,  
to me,  
life seems, it shouldn't be this way.  
So here I am, and there you are,  
sitting so close, feeling so far,  
from me and I, can't figure out,  
what I should say, what's this about,  
to you,

too smart, too cool,  
for me,  
life seems, it shouldn't be this way...
