Everybody wants to be Space Ghost, everybody near
and far
Hey Mom look at me, I'm on TV! Everybody wants to be
a star
I'm Space Ghost, Mr. Space Ghost
I've got big muscles and I can dance
When Zorak tries to bug me, I zap him with my power
bands
"Uhhh, I don't think that will be necessary...."
I think I'll zap him with my power bands, hmm hmm
hmm!
Zap
Oh Saturn, a Ju-pi-ter and Neptune too
I've been hearing it from Coast to Coast....
I'd give anything if for just one day I could be a
superhero like Space Ghost
"Ugh, why would ANYONE want to be Space Ghost?"
Everybody, wants to be just like me.....
