People are so quick to judge
And shun my point of view.

They figure all you've got inside
Is quarts of gloppy glue.

If they got to know DDP
They'd know I have feelings, too.

Muhahaha, you're kidding, right?

No it's true.

Oh.

Oftentimes I'm quite confused
And utterly distressed.

Like waking a pile, drag some jerk
And make his head a mess.

It makes DDP sad to BANG
Someone into next week.

I guess evil is only skin deep.

Deep (deep)
Deep (deep)
Down in my guts (guts)
There must be a spark of goodness hiding.

What (what)
What (what)
What, are you nuts (nuts)?
Who'd ever take the time to find it?

Hey man, that hurt.

Y'allright?

Yeah, I'm okay.

Since people are so quick to judge
Why should you change?

I live my life the way I like
Happily DERANGED.

So what if maybe now and then
Some havoc you wreak (wreak)?

But evil is only skin deep.

Isn't it?

Evil is only skin deep.
