I've got you under my drawers
In a dresser in the corner of my room
There with the socks and the shorts
Sits my favorite photograph of you

It's a picture I took of you one time
When we were on vacation at the beach (where's the beach?)
It's right there behind you attached to the ocean
Right under the sky at the beach (there's the beach)

I've got you under my drawers (drawers)
In a dresser in the corner of my room (room)
There with the socks and the shorts (socks)
I got the picture, but I don't have you

You see, about five seconds
After I took that picture, a giant robotic crab
Came out of the ocean
And took you away (far away!)

I hear you're married now
With little crabs of your own
And if I saw you on the street
I'd look away (look away)

I think maybe I'll clean out my drawers
The ones on the dresser in the corner of my room
I'll throw out all my socks and the shorts
Who needs underpants...when I don't have you

La la la la la la la, la la la la la la la
Boy oh boy I'm unhappy now, oh boy
La la la la la la la, la la la la everybody sing
La la la la don't you know a word. One more time!
La-la-la, la la-la-la, la la-la-la, la la-la-la
La la-la-la, la la-la-la-la la la la
La-la-la la la la la la.....
La la....la la la la la
Oh man!
