Alright lookout...
Cause I'm NASTY! HAHAAHAHAHA
I'm nasty, ha ha!
I'll put bubblegum in your hair
Hide a tack on your favorite chair (Aaaaaaah!)
Sneak up and wedgie you from behind
Snitch to the principal, I don't mind

Am I nasty? Ha ha ha ha ha....just ask me
I tell Blip to go chase his tail
I tease Brak 'till he moans and wails
I call Space Ghost a BIG BABOON
I oughta be spanked and it oughta be soon!
Cause I'm nasty! Ha ha ha ha ha....YES!
