"The Song That Never Ends"

This is the song that doesn't end
Yes it goes on and on my friend
Some people started singing it not knowing what it was
And they'll just keep on singing it forever just because
This is the song the never ends, ba la la lic
Yes it goes on and on my friend..
"BRAK! Stop singing that stupid song!"
I can't stop it, it's the song that never ends!
Some people starting singing it not knowing what it was
And they'll just keep on singing it forever just
because..."SHUT UP!"
Guess it just ended.
