We wish you a happy birthday
We wish you a happy birthday
We wish you a happy birthday
And a happy birthday

We wish you a happy birthday
We wish you a...happy birthday
We wish you a, man this bites
And a happy birthday

A happy birthday to you and your kin
We wish you a happy birthday and a happy click-click
Take me to the fridge!

Now bring us some figgy pudding
Now bring us some figgy pudding
Now bring us some figgy pudding
And bring some right here

We wish you a happy merry
Merry merry, a happy birthday
We wish you a Christmas birthday
And a New Year's birthmus

Good tidings to you, and all of your flesh
We wish you some figgy pudding, and a nice
Halloween
We wish you a merry birthmus, and a Christmas New
Year!
