Alright, check this out.

There's no balogna for my sandwich  
Mayonnaise gone bad  
Someone drank my sodie pop and Zorak's feeling sad  
My record player's broken  
And I got bubble gum on my shoe  
Ain't nothing going right today, Zorak's got the blues

Boxer shorts all full of holes  
Sock drawer is a mess  
Can't find my motorcycle jacket, Zorak is depressed  
A little birdie sings her song  
She ain't heard the news  
This mantis ain't so green today, Zorak's got the blues  
Eh...whatever.
