Boy, you should know that I've got you on my mind
Your secret admirer, I've been watching you

At night I think of you, I want to be your lady, baby
If your game is on, give me a call, boo
If your love is strong, I'll give my all to you

At night I think of you, I want to be your lady, baby
If your game is on, give me a call, boo
If your love is strong, I'll give my all to you

Everyday I pray my heart can win, every night I pray
I can call you my man, yeah, yeah, yeah
I need you, I want you, to have you, hold you, squeeze
you
So I going out every weekend, just to see my boo again

At night I think of you, I want to be your lady, baby
If your game is on, give me a call, boo
If your love is strong, I'll give my all to you

Boy, you got all I need from what I see
And boy every night I am constantly thinking of you

At night I think of you, I want to be your lady, baby
If your game is on, give me a call, boo
If your love is strong, I'll give my all to you

These feelings I have for you they go deeper if you
They go deeper if you can come correct with your
game boy
No, no, no, you can't be lame, boy but if you can please
me
Then my love will come easily, I'll do anything you want
Just freak me boy, I'll do anything for you
