I'm the one who tells them so
Hip kids know just where to go
I'm the one who tells them so
Hip kids know just where to go
I'm the one who tells them so

Sweeter than sugar, cuter than pie
I'm the apple of his eye
Sweeter than sugar, cuter than pie
I'm the apple of his eye
Sweeter than sugar, cuter than pie
I'm the apple of his eye

Hip kids know just where to go
I'm the one who tells them so
Hip kids know just where to go
I'm the one who tells them so
Hip kids know just where to go
I'm the one who tells them so

Hip kids know just where to go
I'm the one who tells them so
Hip kids know just where to go
I'm the one who tells them so
Sweeter than sugar, cuter than pie
I'm the apple of his eye
