Rude boy
A we run the show
so i guess a me flow
just listen let me tell you this story and how it go

I just get a letter from my baby
she write me ohh
I gatta let her know
Listen how Ghost flow

I read your letter just the other day
tellin me how much you going away
I wonder what could make you stray
I love you baby, anyway
i never buy you fancy clothes
I never bought you chocolate or a rose
I wonder if its things like those
could make it go away

I know your friends been telling you
lotta things about me
I don't give a damn
what am I to do
and I know you been to places
know you've seen many faces
know lotta guys out there wanna go out with you

But baby I love you and i wish you (that you'd)
Pursue doing what you born to do
Baby I Love You and i wish you (that you'd)
Pursue doing what you born to do

I know you tripping this is what I have to say
You coulda never find another man like me

I am the player who control your destiny
Don't mess with me
Not so long ago you were a friend of mine
you let them trip you and control your mind
Unfortunately when you leave these arms of mine
you're wasting time

I know your friends been tellin you
alot a things about me
I don't give a damn
what am I to do
and I know you been to places
know you've seen many faces
know lotta guys out there wanna go out with you

Oh well baby I Love You and i wish you (that you'd)
Pursue doing what you born to do
Baby I Love You and i wish you (that you'd)
Pursue doing what you born to do

I know it doesnt matter
that you broke my heart and walked away
and as for your new lover
I hope that he will love you the same way ? (the same
way)

And baby I love you and I wish you (that you'd)
Pursue doing what you born to do
Baby I Love You and i wish you (that you'd)
Pursue doing what you born to do
