Ghost face  
Alex (stolen script)

Yeah, Thats right,  
Hardy Boys shit  
Smoke a winston to this shit  
word up  
bout to fuckin blow ya head up  
yeah

yo, yo, he got his stones from greece,  
in his mouth he had like 30 plus carats,  
???  
smoked cigars like a bogart classic  
told niggas if he die he want a glass casket  
parents died when he was five years old  
made his way inside the US with columbian gold  
a fake name, and a passport  
????

one sister pretty thing light skinned  
niggas will body over her like fuck it  
with a scar by her left eye  
her brother alex was extremely close  
he sold coats and minks  
had ??? put in toilets and sinks  
loved to rollerskate 99 did time up in ???  
came home blown ??? kings and soldiers  
never gave a fuck about that mc beef in queens  
Alex, he was a rich nigga, he had close to ten bodies  
under his belt  
his man did the last one and got murdered himself  
took him a while to get his head together  
alex one day, out in a l.a. made a call to new york  
told his man I-God its going down  
fly the whole team in for support  
member that ray shit that jamie foxx played  
that was my shit i never got paid  
they got rich off a stolen strip  
In 98 i seen charles on the cali strip

sold him copyrights his life and ??? flip  
In brail he read it in no time

hit it me with his ?? i give you some more lines  
real talk stand up dude  
said how yo like jamie foxx to replay you  
he said yeah thats cool but  
under one circumstance, you think he can bow my walk  
flip my talk and my hands  
i said sure why not  
he can imitate anything turst me this young boy hot  
shook his hand and i bounced in the limo  
grabbed my cell bit my cigar then rolled down the  
window  
contacted stonybrook and roberts, told em we got it in  
10  
now that yo ray ray signed it  
now we can move on and shoot this live shit, with mad  
options  
paramount and dreamworks we shopping  
on mandelay and new line coppin  
i go and get 10 mill and blow it on the independent  
market  
but anyway down in ??? changed i had a meeting with  
this rich investor  
said hed throw 20 million on the kids film only if he  
chose the cash  
he was drunk he was talking real fast  
so i test his mouth, laid back then i put him on blast,  
where exactly you gonna get this cash  
i got a an ill gotti ??? connect, wise guys they kill  
???? catchin bodies earning respect  
they waiter came and he dropped of the shrimp fried  
rice  
he ordered, i said thankas as he poured my water  
then out came the veggie roll, sesame chicken and  
mint tea  
rice wine had me wantin to pee  
i said excuse me i'll be right back, pardon me  
grabbed his glass and he nodded to me  
standed up to take a piss this shit felt like a nut  
got back the dude vanished breifcase taken off  
asked the waiter where he go the mother fucker spoke  
spanish
