Boy, ya, you got it, got it
You got me feelin' crazy 'bout my body
I, I cannot cannot stop it
You got Me movin', got me rockin' rockin'

Make me feel like I can make it real
You got me hooked, gettin' me on the floor
If I'm a tease and you're the one to please, I want more

Make me feel like I can make it real
You got me hooked, gettin' me on the floor
If I'm a tease and you're the one to please, I want more

Dance like I'm the only, only
Like I'm the only lady, like you want me
Damn right, I have my radar on you
So let's get physical, I want to, want to

Make me feel like I can make it real
You got me hooked, gettin' me on the floor
If I'm a tease and you're the one to please, I want more

I never had a ride, as delicate and fine
You really blow my mind
When we rock, when we rock
I really wanna do, everything with you
The things you make me do, like a drug, like a drug

Like a drug, like a drug
Like a drug, like a drug

Make me feel like I can make it real
You got me hooked, gettin' me on the floor
If I'm a tease and you're the one to please, I want more

Make me feel like I can make it real
You got me hooked, gettin' me on the floor
If I'm a tease and you're the one to please, I want more

I never had a ride, as delicate and fine
You really blow my mind

I really wanna do, everything with you
The things you make me do

Like a drug, like a drug
Like a drug, like a drug
Like a drug, like a drug
Like a drug, like a drug
