(feat. Ellie, Ghostface Killah) How do I begin
To show you I love you anywhere, it ain't no sin?
This love will outlast time, I can't remember when
I thought I lost you but now that you're in my arms
Just say you'll stay [C-Wiggs]
Cobra popped, a bottle of black Burgundy,
oversated I stared at your green eyes stagnated,
your butter milk skin You smelled good but you taste even better
Eye ball walk/talk was first on the agenda
'member the first time we engaged in the act, in the act
'You jumped on my lap and pushed the seat back
Passionate thoughts, I knew you would be the wiz
Now you hold my kids, my divine little wiggs
The grand soufflé cuz of your presence
So I'ma take it back to the essence just like Valentine presents
Long tongues and wet kisses, sex positions
Buy habista, siesta key, Florida visits
You exquisite young heart, I held you by a far, unchained
Our physical's 33 within the Range
Things have changed over the course of time
But you are mine, and I'm yours
I'm lookin forward to you after tours
[Chorus: Ellie] How do I begin
To show you I love you anywhere, it ain't no sin?
This love will outlast time, I can't remember when
I thought I lost you but now that you're in my arms
Just say you'll stay
Lalalalala, whoa, whoa, whoa
Lalalalala, whoa, whoa, whoa
Lalalalala
