Yeah, damn mom  
It's gone be aight, don't worry about it  
Knowha'msayin, I'ma just go  
I'ma just pack my shit  
Peace out, aight  
Don't worry about it  
I still love you though

I'll never be the same again (I'll never be the same again)  
I'll bet you'll never understand (I'll bet you'll never understand)  
The things you put me through (Oooooohhhh)  
I tried to be a better man (I tried to be a better man)  
But you'll never understand, noooooo  
Now it's time that I move on (Move on!)

Aiyyo I gave you everything and you still fucked my head up  
Children (I'm sorry Ghost) Not now, shut up  
Got back off the road, heard you sleepin with fam  
The whole hood ran up on me, I was like "Damn!"  
So I stepped back, sized the whole situation patiently  
Arguments, face up in the air like you hatin me  
Ask you one question, was it good?  
He have you on the wall like me, was it hood?  
You probably showed him your sexy faces, how you ride on top  
Grabbin the sheets, in a deep zone if he hit the spot  
I came home on Friday, Saturday I found out  
That night I cried with the kids, I was out  
And my man, I'ma do him in  
And the Lord knows best what I'ma do to him  
And you can keep the crib - all I'm sayin is  
Let me find out you got men around my kids

I'll never be the same again (I'll never be the same again)  
I'll bet you'll never understand (I'll bet you'll never understand)  
The things you put me through (Oooooohhhh)  
I tried to be a better man (I tried to be a better man)

But you'll never understand, noooooo  
Now it's time that I move on (Move on!)

It was the beauty that caught me and held my soul  
hostage  
'Member those days had you smellin my boxes  
Old Gold up in the hood and Big Dup  
We could push through the grimiest streets, then throw  
it up  
Like "That's my nigga!"  
Anybody got somethin bad to say, son'll come through  
and deliver  
Brushin off his 88 clocks, y'all can't touch him  
I bet a wad on it, y'all can't fuck with him  
Semi-shy, and I'm laid back, crystal hats  
Heard ya water broke I was like "Phewww" and ran back  
I ran back fast, broke my arm in the mix  
To find out that bird nigga tappin my shit  
It's alright 'do, maybe he came up with the right dough  
Bigger dick, I don't know, must have been the best flow  
This thing here, ever man in the world goes through  
But fuck that, I put alotta money up, I'm hatin

I'll never be the same again (I'll never be the same  
again)  
I'll bet you'll never understand (I'll bet you'll never  
understand)  
The things you put me through (Oooooohhhh)  
I tried to be a better man (I tried to be a better man)  
But you'll never understand, noooooo  
Now it's time that I move on (Move on!)

It was like ecstasy girl  
Found out it was dizzin ya world  
Had us livin in a fantasy world  
I wish we never broke up girl  
It was like ecstasy girl  
Found out it was dizzin ya world  
Had us livin in a fantasy world  
I wish we never broke up girl

Aiyyo you killed me with that  
"Who bought this?" I bought that  
Knowin damn well in reality you bought jack  
You ain't lift one finger, but you claimin what's yours  
Runnin all through the house, bugged out, slammin  
doors  
We used to dress like twins - sweats, baby blue Timbs  
You even scratched my Benz, let the pigs in  
You think that I'm the biggest bird in America?  
Catch me on TV, I'm come back, never the
