[Intro:]

Never under estimate Tony Stark

[Chorus:]

You done slept on Tony

"Tony Starks!" "Ironman!"

You done slept on Tony

"Yo, before that, I was getting it on"

You done slept on Tony

"Tony Starks!" "Ironman"

You done slept on Tony

"I was getting it, getting it, getting it on"

Yo, when they kidnapped your boy, and forced me to do evil

I created an iron suit, to protect my people

Escaped, bound to be Ironman the great

The billionaire Tony Starks'll renew your fate

Built Stark Towers, throw the biggest events

Got liquid, armor, I can paint all dents

Keep a few bad chicks, I ain't your average hero

Movie premieres, catch me with the zam engineer

Six six eleven gold, playboy industrialist

Face of a ghost, mind of a technologist

Specialist, modern day speech slang therapist

Specialize in weapons, I can blow off terrorists

So, so don't sleep big homey

Real recognize and I can see you phoney

My weak heart can't take it, got a life long sentence

Boy genius grown up, and I fight with a vengeance

[Chorus]

Yo, I got steel toe wallies when I glide on stage

And my heart gently weeps in an iron ribcage

Punctured by metals, replaced by elements

My enemies hunt it like a tusk on the elephant

Extraordinary, hiding my dual identities

Anthony Stark, call me Ton', the top pedigree

Multi-billionaire, military contractor

Crushing my opponents, with the strength of a compactor

Ex-factor, I turn liquids to metals

Water to wine, I turn dirt into rose petals
Greatest man walking, blow a bottle of Goose
Goldy plat iron armor, to Versace suits
I'm so elegant, scientifically intelligent
My lawyers won the case, I won't take the settlement
Money's irrelevant, I need heat to energize
We taking over the planet, Stark Enterprise

[Chorus]

[Outro:]

Once again, Tony Stark, infinite finesse
Stopped the planet, and destroyed an indestructable
track
