Music make you lose control

Lights

Hearts

Lights (Flashin')
Sound (Crashin')

Pressure (Risin')
Breathes (Takin')
Rump (Shakin')
Music (Makin')
Lose (Control)

Play it on your speakerphone
Track repeat go on and on

Drop your socks and grab your mini boom box
Do the pop lock body rock
Let the beat drop
Till your shell shocked
Baby what, tell me what you got
Rock hard like a sinner block

To your head bone
Temple bone
Through your jaw bone
To your neck bone
Collar bone
Medic go on
To your back bone
Moving on
Through your hip bone
When your

Stop your pockets goin' ring-a-ding-dong
Turn your thing on speakerphone
We can get it on
Set your mind on
Freaky mode
Where you wanna go?
Feel the buzz grow
Let it glow

To your head bone
Temple bone
Through your jaw bone

Collar bone
Medic go on
To your back bone
