*[Raekwon:]*

(Yaknowhatimsayin'? You on the corners and shit. Ya know? Just gotta be on something. Hands down shit. Yaknowhatlmean? Just keepin' ya eyes and ears open at all times while we rhyme and shine. For my dedicated niggas who love this shit. Doin' this like this. Word up. What's the phenomenon? Carry on Don. Tranquilizin'.)

*[Verse One: Raekwon]*

Ay yo, movin' on these niggas like they old soul, bro  
You know how we go, we go shift 'em out like Paleco  
Fine, proteges off top connectin' like a buildin'  
Four dollar whylin' niggas buildin', savin' the children  
Come on now, check out the view like a oceanfront  
Slow motion in cunt, takin' what we want  
You know a kid asiatic, holdin' power like a Craftmatic  
You like your fish fried or battered, that day he ratted  
Check out the movies from Guyana, just eatin' in  
Atlanta  
Makin' some pirate moves out of Savannah  
Yeah, rock them niggas like jewelry  
Arabics movin' blow like aerobics  
That's when his nose itch, yeah  
That means it's all in effect

I'm hittin' you, I'm hittin' Buddha  
Island Bermuda, send that twenty-shot Ruger  
Continue to slam and mend you like a venue  
Get all up in you, oh yeah your friend too, respect Wu  
Yeah, keep the faggot niggas watery  
Rhyme for rich niggas who supported me, shorty pussy  
extorted me  
So it's a science now, RZA, cuttin' they pockets like  
scissors  
Cindafella found him a Wally slipper

Splashin' ends in the glass Benz in Nevada  
Flashin' gems, eight-and-a-half Tim state robber  
All my life been on some foul shit besides kidnap a  
child shit  
Get on some foul and proud shit  
Cheatin' many Koreans bein' all that I can be an'  
Put down on thirty keys an' get to fleein'  
Light up a tree an'  
Don't be breezin' like a blowdryer  
Yo, you's a liar like Jeremiah gamin' on the flyer  
Yo, but buryin' niggas is carryin'  
Thug drug marryin', hittin' Marion off at the Clarion  
All my Spanish niggas love us  
We movin' like rush ya, bone crush ya  
At the flick, stick to usher  
Broke niggas, spot 'em like Cascade  
in the street Masquerade  
Faster Blade
