oh, hello
are you codename rondo?
nice to meet you, come with me
he's cool guys, sit down, make yourself comfortable
i've got a big job for you
i need you to go down to the slurpee station
yeah the one down on 33rd street
and get me a drank
of course thats not it, what do you take me for?
some kind of amateur?

listen, listen
listen, listen

you should see a man, in a little red pickup truck
his name is jim, go ahead, go with him
heres some bubblegum and a green bag of tissue
paper
give this to jim, but only after he's showed you his
goods
this should really get him goin
be sure not to spill my drank, cause I'm real, real thirsty

listen, listen
listen, listen

the drink, I would like a suicide
but don't let the cashier see you do this

or he will charge you extra
are you writing this down? hold on, I've gotta get this
Hey Dimitri, how's it goin? Yeah. Uh Huh.
Sitting right here, why? Oh ok. No problem.

Listen, Listen
Listen, Listen

Okay, Change of plans.
It seems that Jim here has some ulterior motives
So once in the car, he should turn to you
and ask if you want a cigarette
Tell him yes but only if he is buying

Then he'll start the truck and expose his right thigh
bend down and place the bubblegum and bag of green
tissue paper
under his seat
along with this
let's just say it's a little sugar on top of his pretty please

Listen, Listen
Listen, Listen

Listen, Listen
Listen, Listen
