Last light shining in the mirror  
Got a long, hard way to go  
And your nine lives gonna kill ya  
Can't stop 'til the clouds and the curtains close

When the world is dark and doubtful  
Can't stop, don't lose your mind  
Well feelings are so natural  
Stand up with the weight and the pain of time, time

Heart, heart, heavy heart  
Heart, heart, heavy heart  
You're a mighty lion, oh yes you are  
You're a mighty lion, hey hey pa pa  
Heart, heart, heavy heart  
Heart, heart, heavy heart  
You're mighty line, oh yes you are  
You're might line, hey hey

Step back up to the beat now  
Take 'em off, all around the way  
Stand up on your bean pole  
Let them know about the \_\_ and the \_\_\_\_

And this goes out to the people  
Who fight for what they love  
And stand up on your steeple  
Let it out to the light and the lord above, above

Heart, heart, heavy heart  
Heart, heart, heavy heart  
You're a mighty lion, oh yes you are  
You're a mighty lion, hey hey pa pa  
Heart, heart, heavy heart  
Heart, heart, heavy heart  
You're mighty line, oh yes you are  
You're might line, hey hey

This can always be the sun and this will be the rain  
This will always be the god and this will be the flame  
This will always be the love and this will be the pain  
This will always be the god and this will be the slave

This will always be the one and this will be the way

Heart, heart, heavy heart  
Ain't no holiday  
Heart, heart, heavy heart  
Ooh and we're here to stay  
Heart, heart, heavy heart  
Ain't no time to play  
Heart, heart, heavy heart  
Sharp as a razorblade

Heart, heart, heavy heart  
Heart, heart, heavy heart  
You're a mighty lion, oh yes you are  
You're a mighty lion, hey hey pa pa  
Heart, heart, heavy heart  
Heart, heart, heavy heart  
You're a mighty lion, oh yes you are  
You're a mighty lion, hey hey Raaaar
