You Ready
We're gonna take you on a ride
For 2 triple O
Hang on here we go
We're gonna send you on a carousel

Smoothin' like a bad boy,
I'm not a hussler
But I'll play it if you call me that
Soft like the lotion
That I rub right on your back
[That I rub right on your back]

Bridge:
I feel I should sing
My eyes can't complain
When the set becomes clear of you
Just like a ride, hope on and try
Let me take you

Chorus:
Take you on all around like a carousel
Never gonna run away, make you go down
I'll hold you tight, I'll be with you tonight
I'll never let you fall unless I fall in love
with you
(x2)

So now you took a ride, come on get in
line
Go around for the second time
I'm the one for you, let me show you
what I'll do
I'm gonna make your heart one two

(Bridge)
(Chorus)

I used to sit and worry all day
Work my job and get my pay
When my mind was goin a stray
Hopin' i could get to go play

I see ya girls lookin so fine
With the hopes of makin her mind
Baby girl just give me a sign
Tell me I'm a waste of my time
Because I wanna kick it with you,
All the things a lover could do
Ain't no lie with tellin the true
If your old i'll make you feel new
Cause girl you got me under your self
It ain't hard it's easy to tell
Like my rhyme will do you quite well
Come and take a ride on my carousel

(Chorus till fade)
