So called Mr Rock And Roll  
Is dancing on his own again  
Talking on his phone again  
To someone who tells him that his balance is low  
He's got no where to go  
He's on his own again

Rock chick of the century  
Is acting like she used to be  
Dancing like there's no one there  
Before she never seemed to care  
Now she wouldn't dare  
It's so rock and roll to be alone

And they'll meet one day  
Far away  
And say "I wish I was something more"  
And they'll meet one day  
Far away  
And say " I wish I knew you, I wish I knew you before"

Mrs Black and White  
She's never seen a shade of grey  
Always something on her mind  
Every single day  
But now she's lost her way  
And where does she go from here

Mr Multicultural  
Sees all that one can see  
He's living proof of someone  
Very different to me  
But now he wants to be free  
Free so he can see

And they'll meet one day  
Far away  
And say "I wish I was something more"  
And they'll meet one day  
Far away  
And say "I wish I knew you, I wish I knew you before"

He says "I wish I knew you, I wish I met you  
When time was still on my side"  
She'll say " I wish I knew you, I wish I loved you  
Before I was his bride"

And so they must depart  
Too many more are broken hearts  
But I've seen that all before  
In TV, books and film and more  
And there's a happy ending  
Every single day

And they'll meet one day  
Far away  
And say "I wish I was something more"  
And they'll meet one day  
Far away  
And say "I wish I knew you, I wish I knew you before"
