Slow down darling  
The music's on  
We're dancing so slow  
Just for fun  
The candle's melting  
Your face is drawn  
The song is over  
The moment's gone

Slow down darling  
Let's dance again  
I'm trying so hard, baby  
To see the end  
Simply met by chance, I know  
I should've missed your smile  
Walking down the hallway alone

Let's go anywhere, anywhere away from here  
Let's not wait for, I'm so sorry  
Let's go anywhere, anywhere away from here  
Let's not wait for, I'm so sorry

Thought I wanted something real  
But it was too deep, baby, for me to feel  
Together we were left alone  
I should've seen it coming  
It's gone on far too long  
Too long

Let's go anywhere, anywhere away from here  
Let's not wait for, I'm so sorry  
Let's go anywhere, anywhere away from here  
Let's not wait for, I'm so sorry

You make my heart swell  
Come right through my chest  
Never wanted now  
Such a lovely mess

Let's go anywhere, anywhere away from here  
Let's not wait for, I'm so sorry

Let's go anywhere, anywhere away from here  
Let's not wait for, I'm so sorry
