I won't look back
That's not for me
Please don't take what I say literally
I know I'm bad
Gross slimy scum
And I feel rotten for what I have done

I won't look back
That's not for me
Please don't take what I say literally
I know I'm bad
Gross slimy scum
And I feel rotten for what I have done

Gimme a... Gimme a... Gimme a chance don't turn
away
Gimme a... Gimme a... Gimme a chance don't turn
away

You could leave now
That's up to you
I really hope that I'll change that view
Another chance

To right the past
This one request is all I ask

Gimme a... Gimme a... Gimme a chance don't turn
away
Gimme a... Gimme a... Gimme a chance don't turn
away

Please don't, please don't go
Please don't, please don't go

Just take me back
I know I'm dumb
Looking out for me, myself
numero one
But if you say
You'll still love me
I'll be the friend that you want

me to be
