Pulled from the dark of your stony grave
Rise, Killbot, rise!!!
Cultists conspiring to make you their slave
Rise, Killbot, rise!!!
Fitted with weapons, reverse engineered
Rise, Killbot, rise!!!
Nuclear payload, bringer of fear
Rise, Killbot, rise!!!

TARGET ACQUIRED, SALVO DEPLOYED
RAY CANNON POWERED/LOCKING ON BAND
"fire as will" BY YOUR COMMAND

Pulled from the dark of your stony grave
Rise, Killbot, rise!!!
Cultists conspiring to make you their slave
Rise, Killbot, rise!!!
Fitted with weapons, reverse engineered
Rise, Killbot, rise!!!
Nuclear payload, bringer of fear
Rise, Killbot, rise!!!

Razing the cemetery, leave no bones unburned
Killbot delivers carnage rightly earned
There is no quarter from this instrument of death
Whirling chaos engine, spewing molten breath
Retreat to the catacombs, defeated and scorched
Live to fight another day with axe, hook, and torch
Cold revenge, the tables will be turned
But for now they've got the skull and Creepsylvania
burns

"Go forth and kill!"
