You say sorry and walk away  
And you go to face a problem  
I can't stand in your way  
You will lose and fall flat on your face  
And when you do I'll still be here  
Despite your disgrace  
My hand is here just take it  
I'm sick of watching you try to fake it, yeah

Running Away  
Running Away  
Running Away  
Whoa-oh  
Running Away  
Running Away  
Running Away  
Whoa-oh

Ask me now I know I can help  
Don't walk away ashamed again  
And beat up yourself  
Why pretend that I cannot see  
I can see your lack of faith  
And know that you just don't trust me  
My hand is here just take it

I'm sick of watching you try to fake it, yeah

Running Away  
Running Away  
Running Away  
Whoa-oh  
Running Away  
Running Away  
Running Away

My hand is here just take it  
I'm sick of watching you try to fake it, yeah

Running Away  
Running Away  
Running Away

Whoa-oh  
Running Away  
Running Away  
Running Away  
Whoa-oh
