Ooh, stop.

With your feet on the air and your head on the ground,
Try this trick and spin it, (yeah)
Your head will collapse but there?s nothing in it,
And you?ll ask yourself:
?Where is my mind?? x3

Way out in the water,
See it swimming?

I was swimming in the Caribbean,
Animals were hiding behind the rocks,
Except the little fish,
But they told me this is where it?s gonna talk to me to
me to me:
?Where is my mind?? x3

Way out in the water,
See it swimming?

With your feet on the air and your head on the ground,
Try this trick and spin it, yeah,
Your head will collapse but there?s nothing in it,
And you?ll ask yourself:
?Where is my mind??

Way out in the water,
See it swimming?
