Oooooooooooooooooo

Oooooo o o yeah

Oooooooooooooo

Oooooooooooooo

I'm being patient im being good  
I can't take it, suspence is too much  
For me to wait another year  
Why can't it be christmas

Comin in from the snow  
Getting warm under the mistle toe Everybody  
decorates the tree  
Why can't it be christmas

Slay bells ring ringin in my head  
Wishing every single day could be like this

Monday, can't everyday be christmas  
Tuesday, thats another year  
Wednesday, count down the minutes  
Why can't it be christmas  
Thursday, don't keep me waiting  
Friday, anitisapating  
Saturday, Sunday, Oooohhhh  
Why can't it be christmas everyday

Ice-skating out in the park  
Wrapping presents, caroling after dark  
writing letters to santa clause  
why can't it be christmas

Hanging stockings from the fireplace  
Santa Clause wishing happy holidays  
Shopping from store to store  
Why can't it be christmas yeahhhh

Slay bells ring ringin in my head

Wishing every single day could be like this

Monday, can't everyday be christmas  
Tuesday, thats another year  
Wednesday, count down the minutes  
Why can't it be christmas  
Thursday, don't keep me waiting  
Friday, anitisapating  
Saturday, Sunday, Oooohhhh  
Why can't it be christmas everyday

Ohh if i had my way  
And ide have a big christmas  
And what its about  
Keeping it around  
Let it last all year long

Monday, can't everyday be christmas  
Tuesday, thats another year  
Wednesday, count down the minutes  
Why can't it be christmas  
Thursday, don't keep me waiting  
Friday, anitisapating  
Saturday, Sunday, Oooohhhh  
Why can't it be christmas everyday

Monday  
Tuesday  
Wednesday, count down the minutes  
Why can't it be christmas, ohhhh  
Thursday, don't keep me waiting  
Friday, antisapating  
Saturday, Sunday, Oooohhhh  
Why can't it be christmas everyday
