(Verse 1)

Boy what's the remedy
It's obvious that you're checkin' me
What's the possibility
Oh Oh
If we could get it hot like fire
If we could just play for a while
Oh baby make a girl go wild
Oh Oh

(Prechorus)

You're on my vibeology
It drains all my energy
Tell me what it will be
Ooohh

(Chorus)

OH! Put your hands up on my hips
Show me what temptation is
Come and light my kiss
Cause tonight you got me like OH!
Put your hands up on my hips
Tell me that you're likin' this
Boy you can't resist
Cause tonight you got me like OH!

I need to feel you all around
That's all my desire now ooh
You got me like Oh Oh
You got me like Oh Oh

(Verse 2)

Come now, now what is this
From my toes to my fingertips
Make it quick for me to get my fix
Oh Oh
All shook up by the way I feel
Got me stuck on how to deal
It's time for me to conceal
Oh Oh

(Prechorus)

You're on my vibeology
It drains all my energy
Tell me what it will be
Ooohh

(Chorus)
OH! Put your hands up on my hips

Show me what temptation is
Come and light my kiss
Cause tonight you got me like OH!
Put your hands up on my hips
Tell me that you're likin' this
Boy you can't resist
Cause tonight you got me like OH!

I need to feel you all around
That's all my desire now ooh
You got me like Oh

Don't let it stop
Don't make me wait
Boy make it hot
Got me like OH!
Hands on my hips
Feelin' your way
Baby you're kiss
Has got me like
Oh Oh Oh

Don't make me wait

(Chorus)
OH! Put your hands up on my hips
Show me what temptation is
Come and light my kiss
Cause tonight you got me like OH!
Put your hands up on my hips
Tell me that you're likin' this
Boy you can't resist
Cause tonight you got me like OH!

OH! Put your hands up on my hips
Show me what temptation is
Come and light my kiss
Cause tonight you got me like OH!
Put your hands up on my hips
Tell me that you're likin' this
Boy you can't resist
Cause tonight you got me like OH!

You got me like OH!
