I've been broken hearted
Ever since the day we parted
I didn't know it would turn to
Ever since you went away

I going in circles
wondering if hurting me hurts you
I know i don't deserve it
but im dealing with it everyday

I was so surprised
I didn't know what to say
But i forgave you
For throwing it all away

I've been hopin' you'll come back to me
I'll forgive you for everything
I've been crying bout it everyday
now i wont be satisfied till you come back to me

You really don't mix it
Been tryin to figure out why you left
Im picking up the pieces
Now i wish you were here with me

I've been broken hearted
Ever since the day we parted
I don't have much to say
Ever since you gone away

I've been hopin' you'll come back to me
I'll forgive you for everything
I've been crying bout it everyday
now I wont be satisfied till you come back to me

One of these days
You'll come back, come back to me
One of these days (one of these days) you'll come
back, come back to me
One of these days (one of these days) you'll come
back, come back to me

Cause i know when i live without you baby, heyy yeah

Ive been hopin' you'll come back to me
I'll forgive you for everything
Ive been crying bout it everyday
now i wont be satisfied till you come back to me

One of these days (one of these days)
you'll come back, come back to me
One of these days (one of these days)
you'll come back, come back to me
One of these days (one of these days)
you'll come back, come back to me
And i wont be satisfied till you come back to me
